The Honda CRF50 is one of the most popular dirt bikes in the world. It all started in the 1960s with the Honda Mini-Trail 50. Over the years it has transformed many times as the QA50, Z50, XR50 and currently into the CRF50. Was riding in Mammoth this weekend when the bike just stalled on the trail. Got it back to camp, and there is no spark at plug. Initial diagnosis is bad coil. **ONLINE REGISTRATION.** You can view and watch any online auction simply by clicking on the " BIDDING OPEN " link alongside the appropriate auction description..
