With Coleman Air Conditioners, you can be rest assured you are getting a great brand name with the quality to back it up. Whether you are looking for a 15,000 BTU air conditioner, or a low profile ceiling unit for your RV, we have you covered with our discount prices and fast shipping. Are you wondering what the best RV air conditioner is? In today's guide, we reveal the 5 best RV AC units on the market.. But that's not all! We also discuss whether you even need a new air conditioner and answer some commonly asked questions. The Brisk II by Dometic is marketed as a small, strong RV AC unit that is also a step up environmentally from its predecessors. And there is little doubt the Brisk II is all of that. The company spent 2 years redesigning the Brisk and the result is a camper air conditioner that is lighter, longer lasting and quieter. Not all AC shrouds are created equal... Our aftermarket replacement air-conditioner shrouds are constructed of high-impact UV resistant material, thicker and stronger than the originals.
