This item: The Plant Messiah: Adventures in Search of the World's Rarest Species by Carlos Magdalena Hardcover \$18.32 In Stock. Ships from and sold by Amazon.com. Carlos Magdalena is a botanist working at Kew Gardens whose success in propagating and saving near-extinct plants earned him the sobriquet The Plant Messiah. It is a fitting nickname as he has a messianic determination to capture the seeds and cuttings to safeguard the future of plants on the edge of extinction—even going so far as to wade into waters with crocodiles, piranhas, and snakes.
